

MINIONS

The Rise from Wolf to Webelos

SUMMER CAMP 2023

WEBELOS CAMP June 25th- 28th Scouts going into 4th or 5th grade
Wolf/Bear Camp June 25th-27th Scouts going into 2nd and 3rd grades

Deep in the forest of Benton County on the West Tennessee Area of the Tennessee River is the training camp for **ALL** Cub Scouts. Camp Mack Morris is the home of the Scout Camp, the trainers of Scouts from Lions to Eagles. The goal of the week as a “Minion” is to have fun and learn how good minions live by the same principles of the Scout Oath and Law. Join us this Summer to return the Birdsong Pearl Banana to the Top Minion. Are you ready to accept your training? Come find the clues, meet the Camp Lead Minion, and let YOUR search begin.

You are a rising Wolf to Webelos Scout, and it is part of your journey in becoming a Scout in Scouts BSA and possibly an Eagle Scout. You will be challenged as you take on each new Adventure in your Wolf to Webelos Journey. It is up to you to choose. You will be given the opportunity whether you are a Wolf, Bear, Webelos or an Arrow of Light Scout to learn and grow into the leader you want to be in life. You Choose the Scout Experience that will become a lifelong memory.

Your Pack will be assigned 1 of 12 campsites. All sites have latrines and running water. There are shower houses and a Trading Post. The Camp provides a Health Lodge with a trained Medical Officer on duty during your entire stay. Meals are provided by a professional food service in the Dining Hall. CMM has developed and expanded its Webelos Scout Program over the past years to this year’s Wolf to Webelos program, and we continue to provide the best possible staff that we can obtain and are committed to offering one of the best “theme” related programs for our Webelos Scouts.
